## **Probe Referral Process**

Teacher or counselor completes top portion of the Gifted Education Referral Form. Teacher completes inventory of student characteristics (Teacher Checklist for Probe). Form, Checklist, and copy of permanent record, including any achievement test data, sent to Probe.

MAP Data, if applicable, must be in Proficient or Advanced Range.

STAR Reading or Math must be 80th percentile or above.

Teacher Checklist must meet or exceed 80.

Parents complete permission to test and Parent Checklist Probe staff
administers
achievement test
or CogAT7
Screening Form as
needed.

1

Parent, school personnel, and Probe staff notified of results. The student qualifies for services IF
KBIT-2 full scale score is at or above 95th
percentile; OR IF

ONE scale is at or above the 95th percentile

AND full scale score is 120 or above
AND he/she is on the Direct Certification
List.

Probe staff administers KBIT-2.

Students need to score at or above the 95th percentile on an approved achievement test OR above the 70th percentile on the CogAT7 Screening Form in order to continue.
