

FERGUSON-FLORISSANT SCHOOL DISTRICT

School Counseling Department

School Counseling Program

The School Counseling program is an integral piece of the overall educational process. School Counselors provide a comprehensive program that supports students' academic, personal, social/emotional and career development. Growth and learning are developmental; therefore, guidance must be developmental and sequential. The need for guidance begins with pre-school entrance and continues throughout life.

The Comprehensive School Counseling Program is a K-12 developmental program that is concerned with all students while recognizing the fact that individuals have needs that will continue to require special attention. As a result, the comprehensive guidance program is for all students and becomes developmental rather than crisis-oriented.

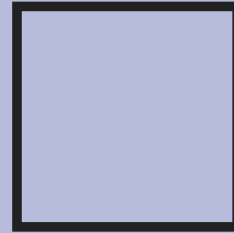

What do Elementary Counselor Do?

Elementary School Counselors assist students in learning the skills and attitudes necessary to be successful learners. They help students learn that the classroom is their first workplace and that communication, decision-making, interpersonal and career awareness skills are important to their success.

Your School Counselor

Counselor Name: Ashiya Pashen
Phone Number: (314) 831-1911
Email: apashen@fergflor.org

The mission of Duchesne's comprehensive school counseling program is to empower all students to achieve their potential by cultivating a love of learning in an environment of respect, accountability, and responsibility.

Please contact me regarding social/emotional, academic, or behavioral concerns you have regarding your child. We offer therapeutic services through various programs: CHADS, Pinocchio, Great Circle, and District Social Worker. Also speak with me regarding referrals for Special School District, Probe, and 504 plans.

Master Calendar

Small Groups

(Based on building needs)

Friendship Skills Building

Maintaining Friendships

Being A Responsible

Student Conflict Resolution

Outside Agencies

Pinocchio

A School-Based Program for Children Kindergarten Through Third Grade

The focus of Pinocchio is to help children learn effective problem solving and social skills, express concerns and feelings to help children feel good about themselves. Through early intervention, Pinocchio helps promote a healthy school environment and contributes to student improvement in academic functioning. Children are seen once a week during school hours, either individually or in a small group.

Outside Agencies

CHADS Mentoring Program

A school based support service

CHADS Social-Emotional Mentoring uses evidence based CASEL competencies to help students improve grades, behavior, peer relationships, and gain an overall sense of well-being. CHADS mentors meet weekly with students for 30 minute sessions to work on social emotional learning skills.

District Social Worker

The district social worker assists by providing mental health services to at-risk students. She will provide individual and group counseling services and partners with staff to assess emotional, behavioral, and mental health concerns related to academic success.

For any one of these services parents or teachers may request a referral from the counselor
