## **Ferguson Middle Counselor**

*Hi! My name is Jacqueline (Jackie) Morris and I am very excited to be a part of the Great Ferguson Middle School Staff. This year I will be working with some of the higher needs students, helping to provide support for them, their teachers and their families. My assignment is a split assignment between Ferg. Middle and Johnson Wabash. This will potentially give me the opportunity to work with students for up to three years, and to forge some strong relationships with some of our most critical needs students.*

*Please feel free to reach out to me with any questions:*
