## About me

I am delighted to return for the 4th year at Ferguson Middle School and continue working with students and families in achieving all around success. During the students' 8th grade year, they will prepare for high school and post-secondary plans by exploring careers and creating Individual and Career Academic Plans. Students will also receive support with their academic goals and social emotional learning. I

will be adhering to Missouri Comprehensive Guidance and Counseling Program components.

Before my current position, I served as an Elementary School Counselor in SLPS for 5 years. I

received my Undergraduate degree from Southeast Missouri State University. Afterwards I acquired my Graduate Degree from the University of Saint-Louis Missouri. During my leisure time, I enjoy spending time with my family and friends, watching movies, and reading autobiographical books.

8th Grade Counselor
