List of who is In attendance: (Sign-in sheets on file)

Principal Bridges made introductions, thanked everyone for partnering, requested that they sign in then presented the [Title I Parent Overview PowerPoint](#) (see attached). It included the Attendance, Attitude, and Achievement (MAP/EOC/Graduation/Benchmark/) data from the previous year and our goals for this year (see PowerPoint for data and goals).

### Parent Involvement

Throughout the course of the 2022-2023 school year, we will provide families opportunities to participate in events with their children in order to engage families in the learning process.

Below is a list of events that will be offered this year:

- Meet the Teacher Night
- Open House/ Curriculum Night
- Science Fair (STEM) Night/Math Night
- Monthly Parent Meetings

During these events' information regarding programming at Combs Intermediate School will be provided. Below are additional services students, teachers, and or families that are identified in our Title I Schoolwide plan for the 2021-2022 school year:

Title I and ESSER funds will be spent in the following ways:

- Positions that support student academic success: Supplemental Reading/Math teachers and Class Size Reduction teachers provide smaller classes and groups
- Positions that support student social support: Social workers and SEL teachers will assist students with proactive strategies to deal with attendance, trauma and social concerns
- Instructional Support Leader (ISL) positions support teachers by providing job embedded professional development to support student learning
- Teacher training for technology, social emotional learning, academic standards and content

### The Importance of Attendance

Our attendance goal is: 90% of our students present 90% of the time. We need the assistance of all stakeholders because regular attendance has a huge impact on students' academic success. The principal reiterated the importance of children attending school every day and arriving on time.

### Parents' Right to Know

- Teachers must be appropriately certified to teach
- Parents have a right to know the qualifications of their child's teacher.
- Parents will be notified if any services are provided by a paraprofessional.
- Parents will be notified if their child is taught by a teacher for four or more consecutive weeks who is not appropriately certified to teach a particular subject

### Compact for Learning

The compact for Learning was discussed to ensure all stakeholders were aware of their important role in the success of the children. Parents in attendance had an opportunity to provide feedback, sign and submit it. It will be backpacked and emailed to all students.
