A message from Dr. Eye

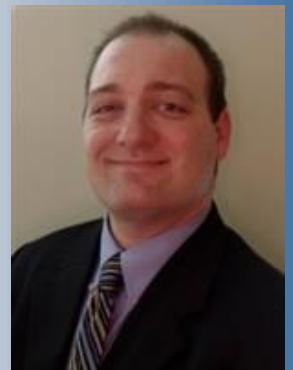

Dear Parents ,

Just let me say the freshman class is off to a great start. Students are working hard to achieve great things. While we have only been in school for about a month it is evident that the class of 2021 is focused on their academic success.

As we move into the month of September our thoughts turn to fall and that Means Home Coming. This will take place the week of 9/18/2017. This will be a fun packed week of activities and memories. The Freshman will enter a float in the Home Coming Parade. If you are your student are interested in helping design and make the float please contact Dr. Eye. Keep up the great work class of 2021.
