

STEAM Academy Middle School is a Title I School. As part of our Title I School-wide Program, we must complete a comprehensive needs assessment to help guide us in developing our school improvement plan.

Please join me on Friday, March 11th at 11:00 via ZOOM for a presentation of data. The ZOOM link is <https://fergflor-org.zoom.us/j/91511050212>

Following the presentation, I will share a survey. The results of the survey will not only identify needs specific to our building, but will assist in plotting the course for the next school year.

As parents, your input is vital to the school improvement process.

I hope to see you on Friday!

Dr. Ries
