Access Virtual Visits

With a virtual visit you can see and talk to a doctor online, any time.

You have access to a network of virtual visit provider groups. To learn more about virtual visits and our network please log into myuhc.com® or the UnitedHealthcare Health4Me® app.

Once you choose a virtual visit provider group you will be directed to their website from myuhc.com or their app from Health4Me. You also have the option of going directly to their website or app to access care. You can download their app directly from Google Play™ or the Apple® App Store®.

Virtual visits are covered under your health plan benefits either way you decide to access care.
