Letter from Dr. Davis

Dear Ferguson-Florissant Families,

I am excited to welcome you back to in-person learning in the Ferguson-Florissant School District. We have missed seeing you learning and growing in our buildings. We know that nothing beats face to face instruction with students and teachers in the same physical classroom.

It is my hope that this handbook will serve as an important and user-friendly tool for all families navigating our return to in-person learning. In this handbook, you will find much information about how we plan to address health, safety, and instructional delivery within each of our buildings.

While we have been planning for an eventual return for many months, there undoubtedly will be some bumps in the road. I appreciate your patience and support as we move forward together in-person and virtually. Please keep the lines of communication open with your child's teacher and principal, so we can address concerns as we enter this next phase of learning.

Onward together,

Dr. Joseph Davis
Superintendent

Letter from Mr. Eric Harris, Building Principal

Dear Cross Keys Families and Caregivers,

Our whole school community has worked very hard to get to the point where we will start in-person learning for many of our students. We remain committed to providing the best possible learning experience for all of our students, whether learning in person or virtually.

In the coming months as we engage in new and challenging experiences together, please reach out to your child's teachers and me so that we can support your child. Thanks for your support of our school community and I look forward to many bright moments amidst the backdrop of this challenging year.

Educationally yours,

Eric Harris, Principal

After-School Procedures

In-Person

In-person students will not be able to stay after school unless a teacher has made a request to meet with them or if the student has arranged to meet with a teacher. Below is the process for students to stay after school:

- Students participating in clubs, activities, or athletics will report to their designated area at dismissal.
- Students will need to arrange with the teacher in advance to stay after school for help. The teacher will notify the grade level office that the student will be staying after school.
- Teachers can also request for a student to stay after school. Those requests will be recorded on a shared spreadsheet.
- Students staying after school will need to provide their own transportation. Cross Keys will not offer after school transportation to students.

Virtual

- Students participating in virtual learning will need to complete a screener each time they enter the school for practices and activities.

Attendance

In-Person

Although student attendance is always important for academic success, we know during these times our families will be extra cautious sending their child to school when they are exhibiting symptoms that could be contagious. We appreciate your efforts to screen your child daily for symptoms and keep them home if there are any concerns. Please continue to call in any absence and provide information that would be important to the overall health of our school. If your child will be staying home due to illness, please do the following:

- **Call the Attendance Line to report your child's absence (314) 506-9707.**
- If your child has a **POSITIVE COVID** test result, please contact your child's grade level office immediately.
- If your child has to **QUARANTINE** due to close contact with a positive case outside of school, please contact your child's grade level offices:
 - **7th-grade office: (314) 506-9713**
 - **8th-grade office: (314) 506-9702**

Please note: **If your child is experiencing symptoms as noted above, please do not send them to school and call the school to alert them that they are staying home.**

We encourage you to reach out to your doctor prior to returning to school. If you have any health questions or concerns, please reach out to your school nurse.

Virtual

- Students are expected to attend class via Zoom for each class period to receive instruction from their teacher for that day. Students should refer to the teacher's Canvas page for Zoom links.
- If your child is not feeling well enough to attend class virtually, they should contact their teacher for missed work and instruction.

Arrival and Dismissal Procedures

In-Person

Arrival

Students are not able to have access to school until 7:15 AM. Students should not plan to arrive or be dropped off prior to 7:15 AM at Cross Keys. Bus riders will enter through door 29 and car riders and walkers will enter at door 21 (faces the Tennis Courts). Essential Skills and all students who receive SSD transportation will enter and exit through door 1. **Upon arrival, students will report directly to their first class of the day.** Students will remain in that classroom until the end of their 1st period. Students will not be able to congregate in the halls or any common areas prior to the start of school.

Dismissal

Students will be dismissed through a staggered dismissal schedule to prevent congestion at common exits in the building. Students will be expected to remain in their classrooms until they are dismissed. Bus riders will be dismissed first through doors 27, 28, and 29. Walkers and car riders will be dismissed after bus riders have boarded their buses. They will exit at door 21. Students who are carpooling and are dismissed at separate times should make a plan to meet at the driver's car if necessary.

Early Dismissal/Late arrivals

Students who arrive late will be sent to the attendance office, where they will be spoken to and depending on the time of the arrival, may receive a call to parent/guardian.

Students who need to leave early will be escorted to their vehicle after a phone call is made or received by the parent/guardian that is on the emergency contact form.

Virtual

The school day is **7:25 AM - 2:30 PM**. Students are expected to actively engage in virtual instruction daily.

Breakfast

In-Person

Breakfast will be available daily for students in their first-period class starting at 7:15 AM. A classroom will have a numbered cooler delivered to them every morning. The teacher will record in Tyler the students receiving breakfast and distribute items. Students will eat in the classroom.

Virtual

TBD - Breakfast will be available for pick up at times/locations to be determined.

Bus Transportation

In-Person

Continuing safety measures on our school busses will be important to keeping our students healthy during this time. All bus drivers will be required to wear masks and have minimal contact with students. The interior of the bus will be disinfected with special attention to high touch surfaces. The following will be implemented on buses to ensure proper health safety to reduce the likelihood of spreading disease:

- Students will be required to wear face masks at bus stops and while on the bus at all times.
- When waiting at bus stops, students should maintain at least six feet of social distancing when possible.
- To minimize the spread of germs, buses will be loaded starting at the back of the bus, then moving to the front.
- Same-family households will be expected to sit together in a seat when possible.
- Assigning students to sit in the same seat going to and returning from the school, unless the Transportation Office has granted prior approval.
- Students should remain in their assigned seats while on the school bus.

Virtual

Transportation is not required for virtual instruction.

Classroom Expectations

In-Person

- Students and staff must wear masks at all times.
- Students should practice hand hygiene as they enter and exit the classroom with hand sanitizer. Hand sanitizer will be available in all classrooms.
- Students will be expected to maintain social distance in the classroom.
- Students must sit in their teacher assigned seat. No mingling or congregating with classmates before or after class.
- Limit unnecessary movement during class.
- Seating will be separated a minimum of 3 feet up to an optimal 6 feet in classrooms.
- Students should bring necessary materials for the class including school supplies, textbooks, and charged Chromebooks.
- Students will adhere to all health and safety measures for labs and other activities. These measures include social distancing and hand hygiene (before and after).
- In-person students are expected to attend class in-person. Virtual students are expected to attend class virtually. If absent, virtual or in-person, students will need to contact the teacher regarding any missed instruction and assignments.
- Students should bring their Chromebooks to class daily.
- Students will continue to use the Canvas platform from which they have accessed their learning all school year.

Virtual

- Students who remain virtual will continue their studies online by following appropriate online “netiquette” expectations, outlined in the Digital Citizenship Contract for Students.
- Students are required to check their Canvas account and district email daily.
- Establish your learning routine and prepare a space where you can work effectively and successfully. This should include having a quiet space in your home where you can participate in video conversations with others, live lessons, or two-way communication with teachers.
- Prepare a daily schedule.
- Be an active learner, proactively communicating with teachers if you need additional support or may not be able to meet assigned deadlines
- Whenever possible, create balance in your day so that you’re not sitting and/or online for hours at a time
- If you’re going to participate in a Zoom video session, please dress appropriately for school and make sure there is nothing behind you that you don’t want others to see. When using Canvas, only submit audio/video files that are appropriate.
- Engage in all learning with academic honesty and integrity. Do not falsify information about yourself or impersonate others online.
- Ask questions, be persistent, and work to solve problems that may occur. Nothing about this experience is normal, so we must be patient and accept there will be challenges and missteps along the way. Be kind to your teachers and your family members. Don’t be afraid to tell others when you’re frustrated or upset, but know that you can’t simply give up, either. We will be better when we support each other.

Cleaning - Building Readiness

In-Person

- All spaces have been cleaned/disinfected and equipped with disinfecting spray/disinfecting wipes for adult use.
- Each classroom has been equipped with a hand sanitizer floor stand and dispenser. Hand sanitizer dispensers have been mounted throughout the building in hallways, office areas, cafeterias, and gyms.
- The custodial staff will disinfect high-traffic areas as often as possible throughout the day, and all surfaces will be cleaned/disinfected each evening.
- Buildings will be thoroughly cleaned each evening with a focus on high-touch areas.
- Restrooms will be checked and cleaned regularly throughout the day and documented on the back of the door.
- Staff is encouraged to utilize the spray disinfectant and towels available for use as needed.
- An additional deep cleaning by the custodial staff will occur when there is a notification of a positive COVID case.

Emergency Drills

Each school will schedule planned emergency drills that incorporate social distancing.

Field Trips

Schools will participate in virtual field trips only.

Gradebook - TylerSISK12 vs Canvas

Tyler SISK12 will continue to be our official grade reporting system. To accurately understand your grade you should continue to refer to grades in TylerSISK12. In Tyler SISK12, some courses may also have category weights for assignments and assessments to calculate a student's overall progress. Canvas is used as a curriculum management tool. While Canvas can show individual scores for some assignments, it does not show the accurate class average since categories are not weighted and not all assignments are collected and scored in Canvas.

Hallway Expectations

Hallway movement will be limited whenever possible. Students are expected to walk to the right. During class transitions, students will space with physical distancing. When in line, students will be reminded to allow 3- 6 feet distance between themselves and others. Students may not cluster in classrooms or hallways during a passing period, move from one class to another without stopping to visit.

Health and Safety

In-Person

It is the goal of the Health Services Department to provide safety and support to all Ferguson-Florissant School District Students and Staff. Nurses and Clinic Aides have been trained on the procedures that should be followed if students or staff should become ill while at school. In addition to our regular health office, our building has a designated isolation room where individuals who may be experiencing COVID-19 symptoms may rest while waiting to be picked up. It is important that students experiencing COVID-19 symptoms be picked up immediately. Please be sure that your contact information is up to date so that we can provide the best care and highest level of safety to our Cross Keys family.

All who enter the building must wash their hands or use hand sanitizer. In addition to the restrooms, all learning spaces are equipped with stand-alone hand sanitizers. Signage and frequent reminders will be given so that students are encouraged to wash their hands and/or use hand sanitizer frequently.

Health and Safety Information:

Daily Health Screening

Daily screening of students by caregivers is required every day for in person learners prior to coming to school. The next page has a checklist of symptoms that will help you decide to keep your child at home. If any of the symptoms are left unchecked (your student shows the symptom), the student should remain at home. Expectations and protocols for daily screening will be communicated to families prior to the start of in person instruction, with regular reminders provided throughout the semester. Please plan to make this daily screening a part of your morning routine.

Ferguson-Florissant

Morning Routine:

Screen your child for symptoms so we can keep everyone healthy at school.

- No fever or chills
- No cough
- No shortness of breath or difficulty breathing
- No sore throat
- No headache
- No muscle aches
- No nausea, vomiting or diarrhea
- No new loss of taste or smell
- No runny nose or congestion
- No close contact with a person with COVID-19 in the last 14 days

Sick? Stay H❤️me!

Source: Missouri Department of Elementary & Secondary Education

If your child is experiencing symptoms as noted above, please do not send them to school and call the school to alert them that they are staying home. We encourage you to reach out to your doctor prior to returning to school. If you have any health questions or concerns, please reach out to your school nurse.

If Symptoms Develop While at School

Students or staff who develop symptoms suggestive of COVID-19 or those with a positive response to the questionnaire during the school day will be assessed by the school nurse, with the district nurse available for consultation, as needed.

Health Office Guidelines: [FLOWCHART](#)

HVAC

The HVAC systems have now been calibrated to provide fresh air at volumes that exceed those recommended in response to COVID-19. All Air Handling Units (AHUs) have been inspected and are working properly, all exhaust fans are in working order. District-wide, all air filters have been replaced and will be replaced based on a stringent schedule to assure safety. The HVAC systems operate using filtered outdoor air while the air in the building is replaced every 15 minutes.

Inclement Weather

If the weather should become inclement prior to the school day beginning:

- Students will report virtually to class from home and *Virtual Instruction* will continue.

If the weather should become inclement during the school day, students may:

- Arrive late or be dismissed early

Instruction

In-Person and Virtual

Instruction will continue within the Canvas platform that students have used all school year. Each student will be engaged in quality instruction and meaningful interaction with content. The learning management system, Canvas is a critical component for instructional delivery and will be utilized daily. The instructional block includes core instruction and intervention each day. Concurrent instruction will allow learning to continue when quarantined. **Middle school students will receive 45 minutes of core instruction and 25 minutes of intervention/enrichment.**

Materials/Supply List: Student device (Chromebook fully charged), headphones/microphones, and other materials as needed.

Office Hours/Asynchronous Learning Time

Asynchronous time is an opportunity for students to seek additional help from their teachers. Students can seek additional academic, behavioral and social-emotional support.

There are multiple ways for students to connect with staff:

- Attend a Zoom call with the teacher/counselor/ social worker. Virtual and in-person students can use Zoom on Fridays to meet with their teacher, counselor, or social worker for additional support.
- Email teacher(s) with questions.
- Each instructional block has a designated time for intervention and/or enrichment.

Virtual

Teachers and students will use Canvas for instructional delivery.

Examples of Class Instruction

Teachers will work with both in-person students and virtual students on best practices, curriculum content, and resources. The chart below helps describe how class instruction may look for *virtual* and *in-person* students.

Examples of Class Instruction	
In-Person Students	Virtual Students
Expectations	Expectations
<p>There may be times when your child will be asked to work independently in class so that teachers can work with virtual students.</p> <p>Your child will follow the virtual schedule for the class they are in if they are unable to attend due to symptoms or if they are quarantined.</p> <p>All staff and students will be required to wear masks at all times.</p> <p>Parents will conduct a daily health screening for their children. If students are showing symptoms, parents will keep their children home and communicate their absence.</p> <p>Each class will have a required seating chart.</p> <p>Students will not be allowed to congregate in the hallways before, during, or after school.</p> <p>For health and safety reasons, the building will open at 7:15 AM.</p>	<p>Your child needs to log on to the classroom Zoom at the specified time for each class period for attendance and to receive instructions for the class.</p> <p>Teachers may choose to live Zoom lessons with virtual students, or they may serve virtual students with a combination of live Zoom and small group learning (ie. learning that students obtain independently).</p> <p>Students can expect to work independently at times throughout the day.</p> <p>Your child may be included in additional class activities (with students at school) depending on the class or activity that would require them to remain on Zoom for an extended period of time</p> <p>Zoom links are posted on the Canvas landing page for the course.</p>

Expectations for Both Virtual and In-Person Learners
<ul style="list-style-type: none"> ● The classroom teacher is responsible for providing instructional materials for both in-person and virtual students. Canvas will be used for the delivery of instructional material. ● Both virtual and in-person students work on the same content; however, delivery will vary. Your child may have independent work in Canvas to complete outside their school day to support his/her learning. ● Teachers will continue to use Canvas as a communication hub for both virtual & in-person students (Course information page, Inbox, Calendar, Modules [Lessons] Link) ● Teachers will determine how to deliver instruction for in-person and virtual students based on best practices in their content areas. ● Virtual students and in-person students will have a consistent format of assessment.

Library

In-Person

To ensure the continued health and safety of our students while still providing services for students in the library the following guidelines have been established:

Procedures while visiting the library:

- Masks must be worn at all times
- Students should sanitize their hands when entering and leaving the Library.
 - Hand sanitizer will be available in the library.
- Students must sign in and out
- Students should practice social distancing while waiting to sign in or out, browsing the shelves, or sitting for independent study.
- If students are using the Library for independent study they will be assigned a specific seat. Seating will be spaced out in the Library. Students will not be able to sit and study with friends.
- No food or drink will be allowed in the Library.

Lockers

In-Person

Academic Lockers - Students will not be assigned academic lockers this school year to help improve the flow of traffic in the halls during the passing period and prevent clusters of students. Students should be prepared to carry all necessary items with an appropriate **clear backpack**. Water bottle filling stations may be available but water fountain spouts will not be accessible for use.

PE Lockers - Students enrolled in physical education classes should come to school dressed to actively participate in class. Lockers rooms will not be available for students to change before or after PE class.

Virtual

School lockers are not utilized during virtual instruction.

Lunch

In-Person

Every student will receive the same lunch. For in-person sessions, lunch will be available as a Grab -N- Go lunch during designated lunch periods. No additional purchases will be available in the cafeteria during this time. Students will be expected to get their lunch and proceed directly to their assigned seating area. Students will need to raise their hand for additional assistance while in the Cafeteria. Students will not be able to receive any outside items once they have entered the building due to our closed campus policy.

Virtual

TBD - Breakfast will be available for pick up at times/locations to be determined.

Masks

In-Person

Masks are **required** to be worn at all times. If a student or a staff member forgets their mask, a disposable mask will be provided. The most effective masks are made with at least 2 layers of fabric which covers their nose and mouth without large gaps while including ear loops/ties for adjustments. Please note, the following types of masks are not allowed as they are less effective in blocking respiratory particles:

- Bandanas and gaiters
- Masks with a breathing valve or “button” vent

Masks will be available in classrooms, at the main office, and in the nurse's office. All masks should be changed if they become wet or soiled, dropped on the floor, or otherwise contaminated. Students will be taught and reminded not to touch the front or inside of the mask and to use the side loops to put on and take off the masks.

Meetings

In-Person

Meetings for student support such as IEP meetings or 504 meetings will continue to be held virtually. Parent-Teacher conferences will also continue to be held virtually. Any other meeting needed should be scheduled in advance with your child's grade level office or guidance counselor.

Social Emotional Needs

Addressing the social-emotional needs of students remains an important aspect of Cross Keys Middle School and we recognize students will not be ready to engage in formal learning until they feel physically and psychologically safe. Establishing a sense of safety and community may take weeks or even months and all staff are prepared to provide support. As we re-enter school, we will create an intentional focus on social and emotional skill building, mental and behavioral health, personal safety and self-regulatory capacity, which likely regressed due to the lack of social interactions between peers and teachers. If you would like someone to contact you for additional support for your child(ren) please use this [link](#) to make your request. A district representative will contact you within 72 hours.

Focus Priorities: Connections, Relationship Building, & Routines

- Collaboration between the Ci3T Core Team, counselors, administration, and teachers.
- 6-12 advisory teachers will deliver 7 Mindsets lessons and team building activities.
- PK-12 teachers will facilitate community building circles.
- [School Counselors](#) will deliver lessons to students about exploring and handling feelings, provide individual and small group counseling, and make referrals to outside agencies as needed.
- [School Social Workers](#) are available to assist your family as your student(s) transition back to school
- St. Louis Children's Service brings specialized services and programs to our schools through our [partner agencies](#) and are ready to support students with mentoring and counseling.

Guidance Office Procedures

Guidance services will continue to be available to students for academic, behavioral and social-emotional support. Students will be encouraged to make an appointment with their counselor to provide the least disruption to their academics and classes. Students can make an appointment by emailing their counselor or signing up in the main office. For quick questions, students are encouraged to email their counselor directly. Drop-in services will still be available for any student needing immediate assistance.

Virtual

All meetings will be held virtually.

Physical Education

In-Person

The District will make every effort to hold Physical Education (PE) classes outdoors. In the event that PE cannot be held outdoors, classes will take place in a gym, the weight room, or a classroom with physical distancing for aerobic activities, while also wearing a mask. Until further notice, students will not change their clothes for participation in PE, and the locker rooms will not be accessible. Please wear proper athletic footwear and attire, regardless of the location. **Students should also be prepared to participate in outdoor classes by wearing proper outdoor attire (jackets, sweatshirts, long sleeve shirts, sweatpants, etc.)**. During PE classes, all physical distancing guidelines and practices will be followed. During indoor classes, if physical distance guidelines pertaining to physical activity cannot be followed, classes will focus on the cognitive and affective domains of PE. Examples of these types of lessons would be presentations, reading articles, class discussions, or other methods of learning that do not require physical activity.

In-Person/Virtual

All students will be required and encouraged to participate in their assigned PE class, regardless of the class being administered in a live, a synchronous, or an asynchronous format. Grading criteria will be presented and reviewed by each student's teacher.

School Nutrition

In-Person

For in-person sessions, lunch will be available as a Grab N Go lunch during designated lunch periods. No additional purchases will be available in the cafeteria during this time. Students will be supervised to wash hands before and after eating all meals. Proper sanitation protocols (hand washing or sanitizing prior to consumption; appropriate containers for food waste; physical distancing; not sharing food/drink) will be followed. The use of the cafeteria itself will be determined on a case-by-case basis.

Virtual

The district will continue the healthy school nutrition program our families rely on to both in school students and virtual learners. All students have the opportunity to receive school meals in a safe and comfortable environment so that they are ready to succeed in academic and social activities.

Restrooms

In-Person

Restrooms will be open during passing periods. Students should practice social distancing in the restroom, wear masks, and hand hygiene. Hand sanitizer will be available near the restrooms.

Students will be expected to continue to move from class to class during the passing period and avoid congregating during this time. It is important that students do not cluster in halls to allow for maximum space for students to safely and comfortably travel. There will be hall monitors to ensure appropriate numbers of students are in any restroom at one time.

- Signage will be in place to maintain six feet of social distancing outside of the bathrooms, and to ensure handwashing and/or sanitizer usage.
- Our custodial staff will disinfect often with full sanitization.

Virtual

Teachers prefer students to use the restroom during passing periods of the virtual schedule.

School Hours

In-Person

The school day is from **7:25 AM-2:30 PM**. Students may enter the building at **7:15 AM** and proceed to their classrooms.

Virtual

The school day is from **7:25 AM-2:30 PM**.

Schedules

In-Person

- Students will attend classes on Monday, Tuesday, Wednesday and Thursday to receive instructional information. On Friday, students will complete asynchronous instruction. Students will not attend classes in person on Fridays.
- Students will be able to access their schedules from the Tyler Portal. A great deal of time, effort, and thought has gone into the process of student placement for the 2020-2021 school year courses were created based on student needs and interests and are balanced. Our class lists are structured to provide equitable class sizes at each level. Moving students is difficult without causing imbalances and inequities; therefore we will not honor requests for change of teacher, lunch, P.E., or Advisory.

CKMS Schedule			Lunch
	In-Person	Virtual	
Breakfast	7:15 - 7:25	7:15 - 7:25	
Period 1	7:25 - 8:34	7:25 - 8:34	
Period 2	8:38 - 9:46	8:38 - 9:46	
Period 3 - Advisory	9:50 - 10:20	9:50 - 10:20	
Period 4	10:24 - 12:05	10:24 - 12:05	1st Lunch 10:24 - 10:54
			2nd Lunch 11:00 - 11:30
			3rd Lunch 11:35 - 12:05
Period 5	12:09 - 1:17	12:09 - 1:17	
Period 6	1:21 - 2:30	1:21 - 2:30	
Friday	7:25 - 2:30	Asynchronous	

Supplies

Items to Bring to School:

- Chromebook fully charged every day
- Clear backpack
- Extra masks
- Water bottle
- Hand Sanitizer
- Headphones
- Necessary class materials for the day

Technology & Chromebooks

Students will be expected to bring a Chromebook to class every day, fully charged. Virtual students will be expected to log in to each class via Zoom at the beginning of each hour. If students have an issue with their Chromebook they should do the following:

Students will be expected to bring Chromebook to class every day, fully charged. At Home students will be expected to log in to each class via Zoom at the beginning of each hour. If students have an issue with their Chromebook they should do the following:

For Chromebook Tech Support, please click the link.

<https://onedistrict.fergflor.org/service/portal.asp>

or call the Help Desk at 824-2299.

Visitors

The District campus will be closed to all visitors. Parents/guardians visiting campus for any reason other than arrival and dismissal must continue to meet virtually.

The front office is closed to non-essential visitors. Parents need to call the school office to check a student in or out. We ask parents to please remain in the car, and a staff member will ensure your child safely reaches your car upon parent request. For safety reasons, recent graduates will not be allowed to visit.

It is important to remember:

- Families must drop students off outside of the building and are not allowed to walk their child inside.
- Drop-offs must be as brief as possible.
- Visitors will not be allowed inside the building.
- Staff members will be present to ensure students safely enter and exit the school.
