Dear Probe Families,

Thank you for all that you have done to support FFSD and your children with their education! This is a true partnership and we appreciate you.

This year we will, again, host Parent Teacher Conferences “virtually” on October 27th and October 28th from 4-7 pm.

The purpose of Parent/Teacher Conferences is for you to communicate directly with teachers about your child. It is also a time for you to find out about the learning that is taking place in each of your child’s classes. Students are encouraged to attend the conference with you, as our conferences are student led.

Probe teachers will facilitate seven minute zoom conferences that will allow you wonderful insight into your child's progress. If more conference time is needed, you may make arrangements with the teacher to discuss this at a later date.

Since we are “virtual” we'll be using a Parent Teacher Conference Online Scheduler (link below). Selecting your Fall 2021 Parent/Teacher Conference will only take a few minutes.

- Probe conferences are Wednesday, October 27th and Thursday, October 28th from 4-7 pm.
- You may register for your conferences right now!
- Conferences will not close for dinner.
- Conferences for ALL teachers will end promptly at the times listed above. Please plan accordingly!
- If you miss your scheduled time slot and no other time slots are available, please email that teacher for feedback.

It is very important that you know your student’s teachers whether in person or virtual. You may consider leaving conferences a minute early to allow for “travel time” from one virtual meeting room to the next.

Please post your child’s first and last name on your Zoom so the teacher knows which account to release from the waiting room.

Sincerely,
Dr. Ries
Principal of STEAM Middle and Director of Gifted - Probe
